Shining Stars (Ages 3-5) *Exploring "Busytown"*

Mondays from 4:45-5:30pm

Inspired by the wildly popular children's series by Richard Scarry, this drama class will teach students about all the elements that make up a community. Prepare for tons of fun as we pretend to be firefighters, teachers, doctors and many other characters that make up a busy town. This class will end with a final mini-play, "Busytown", where students will portray all of the wonderful Richard Scarry characters, including Huckle the Cat, Miss Honey, Mayor Fox and of course, Lowly the Worm!

Showbiz Starters (Ages 6-9) *Pirates and Princesses*

Mondays from 5:30-6:30pm

This fun drama class is perfect for both boys and girls as they explore the worlds of pirates and princesses through games, activities, and skits. Students can let their imaginations run wild when they help create their own set, costumes, and make-up for the final presentation. This class will culminate with a hysterical Pirates vs Princesses play sure to please!
